

# Bali Butterfly Park

## FUN FOR ALL THE FAMILY!

### Butterfly Garden

See a wonderful garden on the way to different rooms. Wander through a majestic garden filled with tropical flowers and other plants. You will also see colourful butterflies through this garden.

### Cave of Creepiness

Go through a tunnel where you can see lots of beetles and other creepy things like spiders and other scorpions.

### Life Cycle Room

See a caterpillar and an adult of Bali's largest butterfly, the *kupu kupu barang*. Look at cocoons and butterflies drying their wings.

### Unusual Creatures Room

Meet and hold other strange insects like the stick bugs and leaf bugs. Hold a large rhino beetle and take pictures of black scorpions.
